Business Leaders Study Need For Service Club

"Let's eliminate the 'Missing Link' on the Peninsula and organize a Lion's Club in Daly City," resolved 34 local business and civic leaders and guests at an open meeting held Wednesday evening last week at Villa Mateo.

J. J. "Jack" McDonald, one of the most active men in Lionism on the West Coast, was guest of honor for the evening. In addition to pointing out the aims and objectives of this service group, McDonald announced that there were active Lions clubs in San Francisco, South San Francisco, Lomita Park, Burlingame, San Mateo, and most every other community right down to San Jose.

"Since Daly City is about the only major community directly south of San Francisco that does not have a service club, it looks as if we were a "Missing Link," the chairman of the evening suggested.

Representatives of each business firm were then called on to discuss four questions outlined in invitations last week. The questions:

1. Should we organize a Lion's Club or some other service group in Daly City?

2. Should we form a merchants organization?

3. How can my business better serve Daly City, and how can a Daly City improvement program in turn stimulate my business?

4. Suggestions for individual and mutual progress.

As business and civic leaders discussed these questions they expressed an unanimous ambition to have a Lion's Club organized in Daly City. At the close of the discussion period, Joe Warren, Bank of America; Joe Sarto, Villa Sanitarium; and Bob Keely, Daly City Record, were selected as a temporary steering committee for organization procedure. Warren and Sarto are to act as co-chairmen and Keely as secretary. A second motion requested all those present to function as a booster committee to recruit a membership for the club and to aid in

TRAFFIC COURT

Judge Fines 17 Traffic Offenders

Seventeen persons paid traffic fines totalling $46.50 this week in Judge Wade H. Clay's traffic court.

Speeding fines were paid as follows: Peter E. Olsen, 1632 Madison street; Londy J. Petroni, 1049 N. Twenty-third street; and Frank Disasale, San Mateo, each $5. Paying $2.50 each were George O. Martin and Fred M. Fischer, 1518 Forty-first avenue.

Disregarding signals cost each of the following $2.50: C. A. Cameron, Millbrae; Arthur G. Jensen, Redwood City; Chick Smoot, 547 Page street; Rex O. Gardwell, 3330 Pierce; Louis B. Harder, 115 Fair Oaks street; James E. McKnight, 1350 Pine street; Vincent R. Maini, 3509 Clement.

Paying $1 for disregarding signals were Donald L. Vaughan jr., Santa Rosa; Elbert J. Brentnall, 201 Edgehill way; Harold W. Kruhl, 515 O'Farrell street, and Edwin R. Clark, 852 Folsom street.

W. Rix, 1545 Divisadero street, paid $5 for driving on the wrong side of the road.

Nephew Of Mayor Fahey Injured In Accident

Another automobile-bicycle accident here early Sunday evening injured Robert Silicani jr., 13-year-old nephew of Mayor John J. Fahey.

The accident happened while Silicani was riding his bicycle near Jefferson Union high school. Rushed to the Junipero Serra hospital by the ambulance, the youth was treated for scalp injuries and three stitches taken in his leg.

Robert is the son of the late Robert Silicani who was killed in a tragic accident near the Junipero Serra underpass on the day before Christmas.

Daly City Boys To Observe Nat'l. Scout Week

Several hundred Daly City Boy Scouts are planning varied celebrations here within the next few days, as National Boy Scout Week opens Friday, February 7.

First big event of the week will be Group 141's fifth annual "get-to-gether" Friday evening at Grace Nazarene church. Cubs, Cubbies and Scouts have invited their mothers and dads to a special Parents' Night. A pot-luck supper at 6:30 p. m. will be followed by an elaborate Scouting program at 7:45 p. m., in which all three groups will participate, according to Scoutmaster Joseph Straughan.

Troop No. 101 are setting their hearts upon winning honors in the huge Scout parade which will be staged in San Francisco on Sunday. Special attention has been directed the past few weeks to uniforms, marching and other de-

Band Plans Another Free Community Concert

Another free community concert will be offered here late this month by the Daly City Band, George E. Brenner, conductor, announced today.

Scheduled for 8 p. m. Friday, February 28, the concert will include both standard and popular music. Featured soloists on the program will be two popular young Jefferson musicians, Miss Josephine Puricelli, soloist, and Thomas Beeson jr., cornet player.

The band's recent successful appearance at Zezar stadium on New Year's day won them high honors in San Francisco. Approximately fifty musicians belong to the group.

"These free concerts are a presentation sponsored by the municipality in cooperation with the local WPA Recreation department," Brenner said today.

"We cordially invite every person in Daly City to attend this concert on February 28."

Bodien Makes Annual Report On Fire Alarms

Daly City firemen need not feel discouraged by remembering all the times during 1940 that they have sped to the scene of action only to find no fire waiting for them.

No more false alarms were turned in during 1940 than 1939, a recent report made by A. J. Bodien, fire alarm system superin-

Paul Leake Addresses Publishers

San Mateo County Press association's February meeting at Benjamin Franklin hotel, San Mateo, Monday night, almost turned out to be a congress of newspaper celebrities. Standing, left, is George Morell, general manager of Peninsula Newspapers Incorporated and past president of California Newspaper Publishers association; sitting, center, is Paul Leake, publisher Woodland Democrat, collector of Customs Port San Francisco, and 1941 president, California Newspaper Publishers association; standing, right, is George McQueen, publisher Burlingame Advance and president San Mateo County Press association, and sitting, far right is E. D. Coblentz, publisher San Francisco Call-Bulletin.

Also present at the dinner meeting were Professor Chilton R. Bush, Stanford university; Harry Port, general manager Mergenthaler company, San Francisco; Hugh Baker, manager San Francisco office, California Newspaper Publishers association; thirteen Peninsula publishers and their wives, and several other newspaper figures. Daly City was represented by Publisher Al Boynton, secretary of San Mateo County Press association, and Mrs. Boynton.

Building Figures Show New Homes On Increase Here

More and more new homes in Daly City is the encouraging news apparent this week from local building figures.

During the single month of January, construction was started on twelve new homes here, averaging more than $3000 each, Building Inspector A. J. Bodien revealed today. January permits total $46,950.

New home construction has been literally "booming" here for the past six or eight months, with construction figures for the final half of 1940 totalling $199,553, or more than eighty separate building permits, according to figures recorded by City Clerk B. C. Ross.

During 1940 the Daly City Water department installed 110 new home meters, a reliable indication of the large number of new people who are finding Daly City an attractive community in which to make their homes.

Father Gienger Leaves Daly City

Daly City said a regretful farewell last week to one of its best-liked spiritual leaders, Father Charles S. Gienger of Our Lady of Perpetual Help church.

Father Gienger has served as an assistant pastor here since October, 1939. He leaves to take over duties as assistant pastor in St. Edwards parish in the Presidio district of San Francisco.

An active part of community life here for the past year and a half, Father Gienger made his influence felt throughout the area. He will be remembered for his fine work in connection with last year's Fall Festival at the parish school, and for his enthusiastic

Local Police Attend FBI Session Wednesday

Police Chief James G. Reardon and Officer Ed Ford attended an all-day meeting of the FBI in Palo Alto last Wednesday.

Discussing phases of the National Defense program, FBI officials gave detailed instructions for the handling of emergency problems arising from defense measures. Particularly stressed was the careful organization of means to prevent sabotage.

Attending the meeting were police representatives from every city on the Peninsula, including all of San Mateo county and a major portion of Santa Clara county.

Turn In Three Alarms For Same Fire Saturday

Three different alarms turned in for one fire called out every fire apparatus in Daly City late Saturday afternoon.

The blaze started when an automobile backed into a service station at Gambetta and Mission streets, overturning one gasoline pump and wrecking another, according to Fire Chief Andrew P. Chesney. Broken electric wires ignited the gasoline.

Three different chemicals were used by the department in extinguishing the blazing gasoline. Damage was not extensive.

Two hours earlier Saturday afternoon, Companies No. 1, 2 and 3 responded to an alarm turned in for an automobile which caught fire while undergoing repairs at 179 Citrus avenue. Damage was slight.

One other small blaze, a machine on fire at Junipero Serra near School street, called out Companies No. 1, 3 and 6 early Sunday evening. The alarm was turned in from Market and Mission streets, nearly a mile from the fire. No damage was reported.

Will Award Beautiful Trophies To Winners

Calling all bowlers! The Daly City Record's first bowling tournament will soon be under way. Beautiful trophies will be presented to the winning team, to the highest individual series score, to the highest individual game score and to other classifications.

Entrance applications will be available Saturday at the Record office and at the Daly City Bowling Alleys, 6287 Mission street. Everyone is invited to participate in this community-wide sports event. Ladies are invited to enter as well as men.

Although individual trophies will be presented in addition to the team trophies, the competition will be in the form of team play throughout the tournament. Any bowler not affiliated with a team will be placed on one and will bowl throughout the tournament on that team. Any group of five bowlers may make up a team. Many local merchants are already lining up teams and many more have signified their desires to sponsor teams.

"Mac" Hammer and "Gil" Gilroy, proprietors of the popular local alleys, have re-surfaced the alleys in preparation for the tournament.

Every local resident interested in bowling is eligible to participate. Any merchant may sponsor a team made up of either his employees or his friends and customers. All teams will carry the name of either a local merchant or a local club or organization.

The tournament will accomp-

Charge Negligent Homicide In Silicani Accident Case

A 19-year-old San Francisco youth was charged with negligent homicide Tuesday as the result of the automobile crash in which Robert Silicani, early Colma resident, was fatally injured last December 24.

The district attorney's office issued a complaint against James Monaghan of San Francisco, named by a coroner's jury as driver of the car which allegedly swerved around danger signals and crushed the county road worker against a truck.

Silicani and other road department employes had been unloading road signs, warning of a landslide near Colma, when the car crashed into the truck.

150 DAYS

Maybe Next Time He'll Be Careful

Harry Traylor, 23-year-old Burlingame youth who sped out from San Francisco in a stolen car the midnight of September 11 and crashed into a parked car at the top of the hill, severely injuring a honeymoon couple, will be in the county jail for the next 150 days.

This was the sentence imposed by Judge Wade H. Clay when Traylor was brought before him Thursday by Daly City police on a charge of reckless driving with injury. Traylor had just finished serving five months in San Francisco jail for the car theft.

The accident in which the youth was involved was the most spetacular seen here in months, with the blazing cars lighting up the streets for blocks.

BASKETBALL

Indians Lose To South City Teams

Jefferson's Indians packed their bags and traveled down the line to lose a double bill with South San Francisco, Thursday.

VARSITY

Putting up a good defensive play, the boys just couldn't quite catch their opponents, and came home with a 27-21 lose.

The only varsity man to stand out in all-around play was Ed Briseno who arched through nine points for the Jefferson quintet. John Razzari was also on his toes throughout the game and gave the South City boys some neat floor work to battle against.

Line up for the varsity was as follows:

	fg	ft	tp
F. Razzari (John)	3	2	8
F. Briseno	4	1	9
C. Ruppert	0	0	0
G. Lekoff	0	0	0
G. Faulk	1	0	2
Dyer	0	0	0
Capps	0	0	0
Poddig	0	0	0
Steel	0	0	0
Sparks	0	0	0
Cacci	0	0	0
Total	8	4	20

130's

Thursday, Jeff's little men were backed up against the South San Francisco's undefeated quintet. Looking better than they had in the league so far, they only lost by 10 points.

Failure to toss at the backboard and sink baskets was blamed a good deal for the Indian's short end of a 21-11 score.

Lineup included:

F. Razzari (Chas)	1	1	3
F. McHugh	2	4	8
C. Huerta	0	0	0
G. Callan	0	0	0
G. Parker	0	0	0
Total	3	5	11

Jefferson hopes to bring home its first victory of the season Friday, as they match the Half Moon Bay basketeers. The boys will play in their own courts, and therefore have a point in their favor.

Nothing "Chilly" About Love For Ice Skating

Tremendous increase in popularity of ice skating was revealed in reports compiled last week at Winterland, the big rink at Post and Steiner streets.

A quarter of a million people skated at Winterland alone during the 1939-1940 season, which was the first time the rink had been open for public skating. Present indications, midway in the 1940-1941 season, indicate that this mark will be bettered by Spring, according to George J. Campbell, Winterland manager.

Campbell pointed out that while ice skating has long been a popular sport in the East, it is comparatively new here. There are now twenty rinks in California, and Eastern states are rapidly being outdistanced in number of skaters.

The great and spectacular ice shows, such as the Ice Follies, have done much to stimulate skating interest, Campbell believes.

Another factor in the increase of interest, Campbell said, is that the public's investment in skating is mounting to a high figure through the purchase of skates and other equipment. This he attributes largely to advancement of skill—the more proficient a skater becomes, the more anxious he or she is to own skates.

AAU Holds Bobsled Meet

America's foremost bobsled racers will be paced by Paul Dupree and Tuffield A. Latour (upper left) when they compete for the National A. A. U. Senior two-man one-mile championship, Sunday and Monday at Lake Placid, New York. Dupree and Latour hold the A. A. U. Junior and Senior and North American titles. Miss Katharin Dewey (upper right) last year steered her four-man team to victory. Below, a sled is shown completing an S curve on Lake Placid's famous run.

FOR RIDING her motor scooter in tropic climes, lovely Ona Munson of Columbia network's "Big Town" programs, wears a white sharkskin playsuit with convertible collar, tailored pocket and red, white and blue ribbon belt. Her stocking cap of multicolored wool keeps her hair in place while zooming along California mountainsides. Notice her candy cane striped wedgies. (I. Magnin, Los Angeles.)

Gunpowder Plot

The famous gunpowder plot of history occurred when Guy Fawkes entered into a conspiracy to blow up the king, his ministers, and the members of both houses of parliament on November 5, 1605. His plans were discovered after he had placed barrels of gunpowder in the building and prepared them for ignition. He was tried, tortured, and publicly executed in 1606. Parliament set aside November 5 as a day of thanksgiving known as Guy Fawkes day, which continues to be celebrated in some parts of England.

Development of Bicycle

The general idea of the bicycle is suggested in ancient carvings, but the machine was not successfully developed until the Nineteenth century.

108 Miles of Tunnels

Tunnels aggregating 108 miles in length are part of the giant aqueduct which will carry Colorado river water to Los Angeles. The cost will be $220,000,000.

War Casualties Listed

First casualties of the next war were the hens of Joe Mikulich, and he wants to know what the government is going to do in the way of reparations. While limbering up for Armageddon, if and when it comes, the field artillery of the California National Guard planted an explosive shell in Joe's chicken coop near San Pablo. There was heavy loss of life among the feathered noncombatants, and the survivors, suffering from shell shock, have not laid an egg since.

African Military Training

Although Tanganyika is not supposed to train natives for military purposes, the government has decided to form a police reserve composed of Askaris and any other Africans who wish to join. In time of emergency they will be incorporated in the regular police force.

Automobile Ownership

Only one-quarter of America's 24,000,000 automobile owners have incomes of $60 a week or more, according to a survey reported by a South Bend, Ind., manufacturer.

Daly City Boys Club Defeats Panthers

Fast game and good passing in the final quarter won Daly City Boys club the decisive last few points to defeat the Panthers in Friday night's game at the Jefferson gymnasium. Final score: 32-20.

Savelly was high scorer with 12 points. The game was under the auspices of the local WPA Recreation department.

Yellow Cab defeated Macabees in a thrilling over-time game in the second half of the doubleheader.

Plan Badminton Round Robin Here

Something new in Daly City will be the badminton round robin, which the local WPA Recreation department is conducting at the Jefferson Union high school this week.

Six mixed teams will start play at 8 p. m. this evening. Teams were selected Thursday evening. This will be the runner-up to a 12-team round robin.

Everyone is cordially invited to watch the matches tonight and next Wednesday evening.

Everyone is also cordially invited to play badminton each Monday and Wednesday evening without charge at the Jefferson gymnasium. Play starts at 7 p. m. and participants must wear tennis shoes.

Kansas City Shakeup

The shakeup of the Kansas City police department has really brought results. Cleanup has extended beyond crime and politics. Now Saturday night baths will be given the —well—here's the story from the beginning. A police captain strolling through a park noticed the fish pond was scummy and the gold fish were mighty dingy. He ordered the water changed and each fish washed every Saturday night in a salt solution to brighten it up a bit.

Latin America Purchases

Latin America increased its purchases of United States medicinals 30 per cent in the last year and accounted for 20 per cent of the total shipped from this country.

FORM-FASHIONED is this satin lastex suit of fine blue and white stripes, worn by Columbia network's lovely Vera Gilmer, of Lux Radio Theater. Bathing suits this year—whether they be the dressmaker type or styled for speed swimming—give the wearers a chance for the maximum of sun tan. (I. Magnin, Los Angles.)

Speed Skating Has Many Thrills

Up and coming fast in the sports world is speed skating, least known but most spectacular branch of the highly popular ice skating.

Junior speed classes, conducted every Saturday morning at Winterland by George Wallace, the international speed champion, are growing steadily and have already produced some promising skaters, Wallace said.

Members of the Silver Blades, a large and active organization of senior speed skaters, are working out daily at Winterland and have special weekly exhibition and competitive events.

Speed skating, as its name implies, is racing, and it has all the thrills of other race contests, along with its share of spills. The skaters wear blades considerably longer than those used in figure skating, the extra surface allowing them more traction for speed.

In addition to the racing events, other special features current at Winterland during the regular three-times-a-day public skating sessions include Ice Polo on Monday nights and a pair-skating contest on Tuesday nights

P. G. AND E. EXTENDS POWER SYSTEM

Contracts have been awarded by the Pacific Gas and Electric company for generators for two huge hydro-electric plants to be constructed immediately on the north fork of the Feather river, according to announcement yesterday by P. M. Downing, vice president and general manager. These plants, costing $22,000,000, with an additional investment of $7,000,000 in transmission lines, will be located in Butte county, approximately thirty miles from Oroville, at capacity of 93,000 horsepower and the Pulga plant a capacity of 110,000. They will be among the largest plants on the Pacific Gas and Electric company's system. Field work is already under way and construction will extend over a three-year period. Several thousand men will be employed when the work is at its peak.

These plants were described by Mr. Downing as the last major step in a $50,000,000 construction program started two years ago to meet the power requirements for Northern and Central California until the spring of 1945.

"This program of construction and expansion is in line with our long-established policy of being prepared at all times to provide adequate service to our customers. Growth of our electric load is being somewhat accelerated now by the defense program. With the completion of these two new plants on the Feather river, we shall have available adequate power to supply all possible needs of Northern and Central California for the next four years."

Arbitrary Date Line

The International Date Line is an irregular line which is drawn somewhat arbitrarily on the map of the Pacific ocean, near the 180th meridian of longitude. This line marks the place where navigators "change their date" on the trans-Pacific voyage. The line is drawn on the map in a general north-and-south direction, separating the islands of the Pacific ocean in such a manner that all those in the east carry the same date as the United States, and those in the west the same date as Japan and Australia.

Proper Electrical Service

The home owner, when buying electrical equipment, is cautioned by the Federal Housing administration to bear in mind the type of electrical service he is to receive, as many electrical appliance usable on direct current will not operate on alternating current. Localities where direct service is supplied are declining, but it is still a factor.

Better Health—

Despite an increase in the number of county tuberculosis and venereal disease cases reported during the year, the total number of diseases reported to the San Mateo County Department of Public Health and Welfare was much lower during 1940 than in 1939, Dr. C. C. Gans, county health director, announced today.

The number of venereal disease cases showed a marked increase, but this is probably due to sharper reporting of such cases which has been increasing each year, according to Dr. Gans.

"There has been an increase in the number of tuberculosis cases in the county, with over 50 per cent being non-residents," Dr. Gans reported.

The general death rate for the county is approximately 7.7 per 1000 population. About 22 per cent of the 1940 deaths occurred outside of the county, Dr. Gans pointed out, which accounts for the low figure.

Dr. Gans pointed out that the 1940 birth rate was 6.7 per 1000 population, with approximately 42 per cent of the total births occurring outside the county, which materially lowers this county's birth rate.

Streamlined Sedanet Popular Buick Model

FEATURE CAR of the new Buick line for 1941 is this Series 40 Special Sedanet, a fully streamlined coupe-sedan accommodating six passengers. It has a 121-inch wheelbase and is powered by Buick's valve-in-head, straight eight engine developing 115 horsepower at 3500 r.p.m. Optional compound carburetion on this model steps-up horsepower to 125 providing increased performance and fuel economy.

New Tire Tread

George R. Nelson Sr., of Almelund, Minn., has been granted a patent for a detachable tire tread that can be taken from a tire when worn down and replaced by a new tire unit.

That's Cricket

Although ordered by his physician not to leave his bed, Gerald Backhouse hopped out, dashed to the Melbourne, Australia, cricket ground and won his heat in the qualifying mile championship event. He returned to bed, stayed there till noon the next day, then started again and won the final.

Doctors Ready

The British Medical association conference states that between 40,000 and 50,000 doctors—about 80 per cent of the profession—have volunteered for war work if hostilities break out.

Journey's End

When the steamship Edina, reputed to be the oldest passenger ship in the world, was making its final trip from Melbourne, Australia, Septimus Dandy, who for 20 years had been its quartermaster, stepped to the bridge to bid the captain farewell, collapsed and died in a few minutes.

Oldest Boy Citizen

"Oldest citizen of Brussels," Belgium, is but a boy who has functioned ingeniously as a fountain for 300 years. He has a private income, has been decorated by emperors and kings, and has a famous wardrobe which he wears on occasion without interference with his fountain function.

Monte Cristo

Mediterranean tourists often have a chance to see the isle of Monte Cristo, which is located south of Elba. Dumas, whose "Count" made it famous, once sailed round it but never landed on its soil.

Shipwrecks Missing

New Zealand has a shipwrecks society and no shipwrecks. It was disclosed by the Shipwrecks Relief society that money is accumulating in the bank for want of disaster. The society obtains its finances from the shipping companies and the harbor boards of this country, all of which make an annual contribution. Year by year the funds grow larger. Now they stand at $80,000 and are safely invested. This has resulted in the society now receiving more than it spends. The position is regarded with satisfaction by local governments, it seems. Mayor Arthur H. Allen of Dunedin has said: "It is gratifying to know this money has been invested in gilt edged securities."

Jack of All Trades

Darius L. Martin, who died at Deer Island, N. B., at the age of 91, was a jack of all trades and master of each. His diversified work included undertaking, casket-making, carpentry, cabinet-making, painting, veterinary surgery and farming. He was also a justice of the peace.

Negotiate New Contracts For Newspapers

Various Printing Trades Unions Meet With Peninsula Publishers

Preparatory to the signing of new contracts covering wages, hours and working conditions, several months of negotiations are being concluded between newspaper publishers of San Mateo county and the various printing trades unions.

The participating newspapers are the Daly City Record, South San Francisco Enterprise, San Mateo Times, Redwood City Tribune, and Burlingame Advance.

Draft of the proposed contract between the Pressmen's Union and the publishers is now in the hands of the employers for final checking.

Most of the items in the proposed contract between the Typographical Union and the publishers have been agreed upon. The publishers have proposed that all items still in controversy be referred to a board of arbitration for settlement.

The terms of both the Pressmen's and Typographical Unions' new contracts would be retroactive to December 15, 1940, the expiration date of the old agreement.

The negotiations have been conducted by the following:

FOR THE SAN MATEO PRINTING PRESSMEN AND ASSISTANTS UNION NO. 315—J. H. De la Rosa sr., secretary-treasurer of the San Francisco Pressmen's Local No. 24; George G. Spooner, of San Francisco, representative of the International organization; H. I. Christie, of San Francisco, business representative of the Allied Printing Trades council; R. McAllister, San Mateo, secretary of the San Mateo Union.

FOR THE SAN MATEO TYPOGRAPHICAL UNION NO. 624—Howard Eden, chairman; John McGlasson, Arthur McCue; and Ralph E. Mercer, of Stockton, representative of the International Typographical Union.

FOR THE PUBLISHERS—Albert H. Boynton, Daly City Record; Harry Butler, Amphlett Printing company (San Mateo Times); Logan Franklin, Industrial City Publishing company (South San Francisco Enterprise); George McQueen, Burlingame Advance; S. H. Winklebleck, Redwood City Tribune; George F. Morell and E. R. Lovett, Peninsula Newspapers incorporated.

tendent shows. The figure was 18 in each year.

The number of house fires, 13, was also the same for each year. Grass fires were reduced from 18 in 1939 to 10 in 1940.

Firemen answered four more calls during 1940 than in 1939. Totals are 76 in 1940; 72 in 1939, 51 in 1938 and 61 in 1937.

Calls made during 1940 were as follows: auto fires, 10; house fires, 13; grass fires, 10; false alarms, 18; line braker, 6; basement fires, 2; chimney fires, 3; gas pump fire, 1; roof fire, 1; lumber yard fire, 1; blasts, 5; disaster call, 1; ditch caveins, 2; runaway autos, 2, and No. 6 blasts, 1.

Legal Death

In most American states a person absent seven years without explanation may legally be presumed to be dead.

HARBINGER OF SPRING is the sophisticated styled black silk jersey afternoon frock worn by Columbia network actress Lois Collier. Its ingenious cut gives a crisscross fullness across the bodice and the upswept flare of the paneled skirt a sarong effect. Pearls at wrist and throat relieve the all black of the ensemble.

Chrysler Dealer Announces New Addition To Line

Announcement was made yesterday by A. L. Timossi, Mission Auto company, Chrysler-plymouth dealer here, that a new addition had been made recently to the 1941 line of Chryslers.

The new model will be known as the Crown Imperial Town Sedan, and incorporates many of the features heretofore offered in the larger cars only of the Crown Imperial line.

"We have experienced a demand," stated Timossi, "for a model that offered all the luxury and special equipment found in the regular Crown Imperial model, but constructed on a shorter wheelbase to allow convenient parking in the average private garage. For this reason, our Corporation has introduced the new Crown Imperial Town Sedan. This new model is offered in seven upholstery selections without extra cost, and a large variety of exterior paint combinations, including two-tone color harmonies, which allow ample latitude for individual tastes and preferences.

"The new Crown Imperial Town Sedan," continued Timossi, "is powered by an 8-cylinder engine with 137 HP. Chrysler's famous Fluid Drive, now in its third year, is standard equipment, also Chrysler's new Vacamatic Transmission."

Timossi stated the month of December was the largest month in his history, both in the sale of new and used cars.

Western Duck Sickness

Vanez T. Wilson is one hunter who doesn't take his prizes home with him; he sets them free, reveals the American Magazine. Wilson is head of the Bear River Migratory Bird refuge at Brigham, Utah. He scours the marshes for sick ducks, and every year cures thousands of their most deadly disease—western duck sickness. The plague was brought on when irrigation projects took away too much water.

Laurel Tree Legend

In Greek mythology, Apollo loved the nymph Daphne. When he descended to earth to woo her, she fled from him, and begged her mother, Gaea, the earth goddess, to save her. Through the intercession of Gaea, Zeus turned Daphne into a laurel tree. From that time Apollo made the laurel sacred and winners in the Pythian games, as well as great poets, were crowned with the leaves.

Nation Observes Boy Scout Week

Boy Scout week is being observed, February 7 to 13, throughout the nation to mark the organization's thirty-first anniversary of its founding. Special emphasis is being placed this year on emergency service training. A few of the 1,500,000 Boy Scouts in the country are shown above engaging in typical activities that bring them into the out-of-doors and encourage self-reliance and quick-thinking in emergencies. Scout officials declare that the organization is and will remain strictly non-military.

Notable Birthdays

Only two days separate the birthdays of two prominent Americans. February 1 marked the sixty-third birthday of Hattie Caraway, the only woman member of the U. S. senate. Supreme Court Justice James Clark McReynolds observed his seventy-ninth birthday on February 3.

Sir Harry Lauder

Most of the tourists who come to Hamilton, near Glasgow, come to see the place where Sir Harry Lauder worked as a pit-boy in a mine. No one since the days of Sir Walter Scott has made Scotland better known or better loved.

S. F. Man Injured At Market And Vale

Albert Terry, 519-A Vallejo street, San Francisco, is recovering at Junipero Serra hospital from injuries received in an accident here Friday evening.

Terry was crossing Mission between Market and Vale streets, when he was struck by a car driven by Edward Mahoney, 1855 Washington street.

Rushed to the hospital by the Junipero Serra ambulance, he was treated for injuries to his head and nose.

Canadian Sport Fishing

Remarkable progress in the development and extension of sport fishing areas in the national parks of Canada is reported by the department of mines and resources, Ottawa, which administers Canada's system of national parks. As a result of biological surveys and subsequent stocking operations in the various lakes and streams, particularly waters once barren of fish, visiting anglers may now enjoy good fishing in many waters where previously there was little or no fishing available. One of the outstanding achievements has been the successful introduction of the speckled trout from its native haunts in eastern Canada into many of the clear, cold waters of the national parks in the Rockies.

Longest Army Gun Range

In the American army the 16-inch gun has the longest range, approximately 30 miles. The Paris guns used in the bombardment of the city of Paris during the World war had a possible maximum range of 79.5 miles, the longest range of any gun known.

Gen. Pershing PTA Holds Annual Founders Day

Mrs. Stella Jensen, fourth vice-president of seventeenth district, CCPT, was guest speaker yesterday afternoon at the annual birthday celebration and Founders day program of General Pershing PTA.

Program chairman for the day was Mrs. Ilda C. Marquis. She replaced Mrs. Ann Eason, Founders day chairman, who was unable to take charge because of the serious illness of her brother.

Several distinguished guests attended the meeting, including Mrs. Landini, charter member of the unit. The occasion commemorated the twelfth birthday of General Pershing PTA.

Mrs. Virginia Davidson, president, attended the executive board meeting of seventeenth district, Monday, in Burlingame.

Mrs. Mildred Rasor will be delegate to the seventeenth district Founders day program, February 27, in South San Francisco. Mrs. Marquis will also attend.

Dr. Graham, Famous Missionary To Speak Here

Dr. James R. Graham jr., famous missionary from China and close associate of General Chiang Kai-shek, will speak in Daly City on Monday evening.

The lecture will begin at 8 p. m. at the Grace Presbyterian church, where Dr. Graham has been conducting a Bible conference for the past two weeks. It will be open to the public.

One of the world's leading authorities on the Chinese language, Dr. Graham has spent most of his

life in the East. Reared from infancy in the language and customs of China, he was born the son of American missionary parents who completed fifty years of service in China.

Dr. Graham attended high school in Shanghai, and later entered Hampden-Sydney college in Virginia at the age of 16 years, taking an active part in athletics. Joining the U. S. Marines during the World War, he received his commission shortly after his twenty-first birthday.

More education and more athletics, this time as coach and instructor, intervened before he was called to the missionary service in China in 1921.

In his capacity as principal of a Chinese boys' high school, Dr. Graham had the first group of Chinese boys who ever played four quarters of a game of American football.

Teaching again in a Virginia university and travelling through China as missionary and evangelist, Dr. Graham has spent a busy life preaching the word of God among literati and government official groups of China. It was at this time that he began his association with the famous Chinese general.

Since his return to this country in 1936, he has been engaged in Bible conference work from coast to coast.

DAUGHTERS UNIT, OLD GLORY AUXILIARY NO. 2044

—Photo by Staff Photographer Dale Hovey

Daughters Unit of Old Glory Auxiliary No. 2044, Veterans of Foreign Wars of the United States, proudly carries on the patriotic work begun by its sponsoring unit.

Meeting regularly at 7:30 p. m. the third Friday of each month at the No. 1 firehouse, the unit is open to any daughter, granddaughter or adopted daughter of a VFW. The group was first organized here on June 26, 1936.

Shown above are officers of the Daughters unit. In the front row, reading from right to left, are Arveta Dalton, second vice-president; Anita Lehigh, junior past president and conductress; Virginia Adams, president; Phoebe Remington, chaplain; Mary Sunseri, first vice-president.

In the second row, reading from right to left, are Louise Miller, treasurer; Esther Hukari, color-bearer No. 1; Bonnie McHugh, color-bearer No. 2; Beverly Klear, guard; Martha Remington, patriotic instructor.

Standing in the back are, left, Mrs. Allene Lehigh, chairman of junior activities for Old Glory auxiliary; and Mrs. Mary Sunseri, right.

Peanut Prosperity

Thousands of pigs are now rooting for a living in the peanut fields of the South, declares the Country Home magazine. Farmers around Headland, Ala., grow one acre each of grass, oats and soybean pasture, and 5 acres of peanuts for every sow and her two yearly litters of pigs. The only additional requirement is 10 bushels of corn and 150 pounds of mineral supplement to finish fattening the porkers. Disease is avoided by having no permanent hog houses and no permanent shade. Temporary shelters are provided in hot weather, and temporary windbreaks when it is cold.

Religious Painter

Luis de Morales, the famous Spanish painter, was called El Divino because of his emotional religious paintings. His favorite subjects, Ecce Homo, Pieta, Christ at the Column and Mater Dolorosa, were repeated many times and often copied.

Stockings for a Queen

Weaving is one of the oldest arts, but knitting was not discovered until about 1400. Some 200 years later, Rev. William Lee of Nottingham, England, invented a knitting machine. He knit a pair of stockings for Queen Elizabeth but she was reported as disappointed because they were coarse. Rev. Lee then perfected a new machine, and knit the queen a pair of silk stockings.

Football Trophy

The John W. Heisman Memorial trophy is awarded each year to the football player deemed the most valuable. It perpetuates the memory of a football coach and gridiron mentor at many colleges for 35 years. The Robert W. Maxwell trophy, also awarded to the outstanding player, is named in honor of Robert W. (Tiny) Maxwell, a former all-America player, sports writer and gridiron official. The August V. Lambert Memorial trophy, emblematic of leadership among eastern gridiron teams, was donated by Victor A. and Henry L. Lambert of New York city in memory of their father, an ardent football fan.

Royal Neighbors Plan Big Whist

Friday evening will see a big whist party at Eagles hall, it was predicted today by Vista Grande Camp No. 6035, Royal Neighbors of America, who are sponsoring the event.

A cash first prize and many other valuable awards are expected to attract a large crowd. Mrs. Grace Coolish will be chairman.

Playing will begin at 8:30 p. m. and the general public is cordially invited to join the game.

Catholic Daughters To Sponsor Officers' Whist Tomorrow Night

Court St. Mary No. 1155, Catholic Daughters of America, will sponsor an Officers' whist tomorrow evening at Masonic hall. Playing will begin at 8:30 p. m. Several attractive prizes will be awarded during the evening and the public is cordially invited. In charge of the event are all officers of Court St. Mary.

Officers and members gathered for a pleasant "get-to-gether dinner" Thursday evening at Monaco's in San Francisco, enjoying the entertainment and the community singing. Guests included:

Ida Forrest, Jeanette Gray, Albina Restani, Elsie Thomson, Lorraine Wall, Grace Bacigalupi, Lena Walker, Helen Rode, Evelyn Weckerle, Ann Vargas, Josephine Pyne, Elizabeth Powers, Josephine Reardon, Margaret Roberson, Adele Hecht, Ann Tallon.

Royal Neighbors Sewing Circle To Meet Tuesday

Sewing club of Vista Grande Camp No. 6035, Royal Neighbors of America, will meet Tuesday evening at the home of Anna Romer, 87 Shakespeare street, at 7:30 p. m.

Anna Smith entertained the club at its last meeting at her home at 52 Los Olivos avenue. Lovely refreshments were served by the hostess and a game of cards enjoyed.

Present at the meeting were Marie Rodrigues, Estelle Peterson, Johanna Hedvall; Cora Ray, president of the sewing circle; Mattie Putman, treasurer; Effie Ridley, district deputy; Clarise Scott, Ruth Bower, Mattie Smith, Emilie Twesten, Lila Therry, Cinderella Weller, Agnes Wood, Esther Meritt, Edna Huggard, Gladys Moe, Anna Smith, Lucy Nelson, Lillie Parker, and Ocie Ainsworth.

Legion Auxiliary To Stage Whist Friday

Mrs. Vivian Pahlka, president of Daly City Unit No. 410, American Legion auxiliary, will be chairman of a whist party on Friday afternoon, sponsored by the unit.

Playing will begin at 2 p. m. at Legion hall, and the public is cordially invited to attend. Co-chairmen with Mrs. Pahlka are Mrs. Kathleen Matzek and Mrs. Harriet Olson.

The unit will hold its regular meeting at 8:15 p. m. tonight at Legion hall to discuss plans for an Americanism and National Defense program some time next month.

Attending the recent Poppy conference in San Francisco's War Memorial building was Mrs. Pahlka, president.

Daly City Boys To Observe Nat'l. Scout Week

(Continued from Page 1)

tails, reports Scoutmaster Frank Coughlin. Last year Troop No. 101 took fourth place awards out of more than fifty units.

Celebration of National Scout week sees an intensive membership campaign going on in Troop No. 148. Boys who are interested in camping, like the outdoors and enjoy sports are cordially invited to become members of the troop, Scoutmaster Mel Hanson said today. Meetings are held at 7:15 p. m. each Tuesday evening at the No. 5 firehouse, 335 Bellevue.

Boy Scout Troop No. 149 are still working on their plans, which will include some special recognition of the week, according to Scoutmaster Joseph P. Lorenzo. Particularly stressed in all Scouting celebrations during 1941 will be fundamental principles of American citizenship.

All Daly City troops will have permission to wear their uniforms to school during the week, and most of the troops are planning a civic good turn.

In addition to their civic good turn, Troop No. 141 are planning an institutional good turn for their sponsoring unit, the Grace Nazarene church, according to Scoutmaster Straughan.

Each family planning to attend 141's pot-luck supper is asked to bring food and dishes for its own party and a little extra. Hot coffee, cream and fruit punch will be furnished.

The formal program will get under way at 7:45 p. m., when new boys will be received into each division of the group, Cubs, Cubbies and Scouts. This will be followed by a badge presentation ceremony and by entertainment features from each of the groups and from some of the visitors.

Distinguished guests at the affair will include A. J. Bodien, district commissioner; Howard McHugh, neighborhood commissioner, and Matthew Bailey, cub commissioner from the San Francisco area council.

More Vision, Bigger Body, Softer Ride Featured in New Ford Line

MORE VISION for drivers and passengers is one of the first things remarked by those inspecting the new Ford V-8 line, Ford designers have gone still further away from the tendency in recent years to limit the view from a car's interior. This Super DeLuxe Tudor Sedan is an especially rugged body, but with lots of daylight inside. A two inch longer wheelbase, and newly engineered stiffer frame, bigger body, softer springs and sensitive shock absorbers give a degree of passenger comfort in front or rear seat that critics agree is remarkable. There is also increased head room.

Somersault Foods

By Frances Lee Barton

SOMERSAULT foods are those made or served upside down. They were novelties not so long ago, but their popularity has made them as common today as many other dainties. Here's an upside down cake recipe that is entitled to a place in anybody's special recipe file:

Coconut Butterscotch Upside Down Cake

1¼ cups sifted cake flour; 1¼ teaspoons double-acting baking powder; ¼ teaspoon salt; ¾ cup granulated sugar; 4 tablespoons softened butter or other shortening; 1 egg, well beaten; ½ cup milk; 1 teaspoon vanilla; 6 tablespoons butter; ⅔ cup brown sugar, firmly packed; 2 tablespoons water; 1 cup shredded coconut, toasted.

Sift flour once, measure, add baking powder, salt, and sugar, and sift together three times. Add butter. Combine egg, milk, and vanilla. Add to flour mixture, stirring until all flour is dampened; then beat vigorously 1 minute.

Melt 6 tablespoons butter in 8 x 8 x 2-inch pan or 8-inch skillet over low flame. Add brown sugar and water and cook and stir until thoroughly mixed. Sprinkle coconut on this. Turn batter out on contents of pan. Bake in moderate oven (350° F.) 50 minutes, or until done. Turn upside down on dish with coconut on top. Garnish with whipped cream, if desired.

Midwinter Carnival Season Starts

The 1941 carnival season opened simultaneously in both the North and South, Saturday. In New Orleans celebrations began on this date with the first of the Krewe parades and terminate in the brilliant Mardi Gras festival on February 25. Scenes from the brilliant parades are shown to the left above. Meanwhile St. Paul holds its spectacular Winter Carnival pictured to the right above. The program is marked by "bombardment" of the ice palace, skating derbies and a large variety of other sports and competitions.

Civilization Kills

Civilization proved too much for the youth who left the loneliest isle in the world. After less than a year in London he died. Donald Glass was a direct descendant of the William Glass who founded the settlement at Tristan da Cunha, in the South Atlantic, more than a century ago. Donald left a happy isle, where disease is practically unknown, determined to succeed in the great world. He was accepted by the Boy Scouts, who tried to make life for him something like that in the home from which he came, but they failed to consider the germs that afflict civilization. He fell ill and gradually declined.

Soap Nut Tree

Soap nut, the fruit of a handsome tree found throughout India, has been used to wash woolen fabrics, silks and jewelry since ancient times, even in preference to soap. Scientists today have learned to extract the essential matter, saponin, from the nut for use in the manufacture of soapless shampoos, as a foam stabilizer, and as an emulsifying agent for vegetable and essential oils.

Life of Famous Clown

Toto, the famous clown, whose real name was Armando Novello, was born in Geneva. He became an entertainer of note on the continent, specializing in pantomime and performed before Czar Nicholas of Russia in 1911 and Kaiser Wilhelm in 1913. His American debut was in "Hip, Hip, Hooray," the Hippodrome spectacle of 1915. He returned to Europe for several engagements, making his final royal appearance before King George V and Queen Mary in 1931. He died in the Bronx hospital in New York on December 15, 1938.

LOCAL EAGLES TO CELEBRATE AERIE BIRTHDAY

Exactly 32 years ago tomorrow, on February 6, 1909, Colma Vista Grande Aerie No. 1848, Fraternal Order of Eagles, was formed in Daly City. The event took place at the old Colma hall, Vale and Mission streets.

To commemorate the event, members and officers of the aerie will salute the old-timers tomorrow night at Eagles hall when Past Presidents' night will be celebrated. All living past presidents of the order will attend. The initiatory rites will be conducted by past presidents. One of the largest classes of new members ever inducted into the order is expected.

An elaborate program of entertainment has been planned, to be topped off with a banquet. Arthur Bodien will speak on the history of the local aerie. Brother Thomas Gosland jr., trustee of San Francisco Aerie No. 5, will be the principal speaker of the evening.

Worthy Past President Larry Shaw will present twenty-year pins to the following members: Louis Spani, G. Tolovi, M. Vernengo, Otto Schramm, Sam Eldrup and Peter Pavlos.

A community sing with all members taking part will wind up the event.

Arrangements are being completed by Worthy Past President Fred Klingler.

CHRISTMAS PARTY

Bodien Presents Financial Report

In completing his financial report of the Children's Christmas party held here in December, A. J. Bodien, co-sponsor's agent to the local WPA Recreation department, today expressed the thanks of the recreation committee and the recreation department for all contributions.

"It is public-spirited citizens, organizations and firms who make this annual party possible," Bodien said today. "For the sake of the children who enjoyed this Christmas theatre party, we sincerely extend our appreciation to all who contributed."

Included among the list of donors were J. W. Marchbank, Daly City Fire department, Daly City Fire Commissioners, Italian American Citizens club, Royal Neighbors of America, Vista Grande Camp No. 6035, Veteran Firemen's association, Catholic Daughters of America, Court St. Mary No. 1155, A Friend, United Ancient Order of Druids, Daly City Rod and Gun club.

Woodrow Wilson, Crocker and General Pershing PTA units; Old Glory Post and Auxiliary No. 2044, Veterans of Foreign Wars of the United States; Fire Companies No. 1, 4, 5, and 6; Daly City Unit No. 410, American Legion Auxiliary.

Judge Wade H. Clay, Mayor John J. Fahey, Boni Hardware company, Councilman Paul G. Selmi, City Clerk B. C. Ross, Councilman Edmund Cavagnaro, City Engineer Robert Klassen, Women's Civic club, Daughters of Israel, and El Carmelo Parlor No. 181, Native Daughters of the Golden West.

American Decoration

American visitors to the ex-Kaiser's palace at Potsdam are not only reminded by the guide that an American President once dined there, but are shown the famous Shell room whose walls and ceiling are studded with semi-precious stones, and an agate-looking slab which he describes as, "petrified wood from your own country, from a petrified forest in Arizona."

Nearly Sixty Attend Fellowship Dinner

Nearly sixty persons enjoyed a pot-luck supper at the Grace Nazarene church last Wednesday evening. In charge of the annual fellowship dinner was the Reverend N. M. Lewis, pastor.

After the dinner, papers were read on various community and religious problems by Joseph Straughan, Mrs. Frank Hinebaugh, Neil H. Edwards and Mrs. H. R. Miller. These were followed by a discussion period.

At the meeting, committees were formed from different departments of the church to make personal visits to Daly City homes.

Citizens Club Elects Officers

Italian American Citizens club of Daly City and Colma recently elected R. L. Ariani, prominent young Daly City attorney, as president for the coming year, it was learned today.

Ariani heads a list of new officers which includes Mario Cristofani, vice-president; Lielo Cristofani, secretary; Louis D'Elia, treasurer, and Luige Papi, sergeant-at-arms.

Next big event on the calendar for members of the club will be the sixth annual banquet of the Council of Italian American Clubs of San Mateo county on February 15.

The banquet will be held at the Benjamin Franklin hotel in San Mateo and is expected to be even more successful than past banquets have been. Attending the affair will be a large delegation from this community.

BOYS AND GIRLS

If You Like To Dance Attend Party Friday

Attention: Daly City boys and girls!

The second in a series of Friday evening dances for Daly City's younger set will be held at the General Pershing school from 7 to 10 p. m. this coming Friday.

Sponsored by the WPA Recreation department, the party will be under the supervision of Mrs. Clara Mitchell and Miss Marie Bell, with other recreation leaders assisting.

There will be no charge for admission and all junior high and high school students are cordially invited. The dance will end at 10 p. m. sharp.

These parties will be held regularly on the first and third Friday evenings of each month, according to Bruce H. Boynton, local recreation supervisor.

Speeds Graduation

Rear Admiral Wilson Brown, superintendent of the U. S. Naval academy at Annapolis, will officiate Friday at the first pre-June graduation exercises since the World war. The educational program was speeded up in line with naval defense expansion.

Tea Taster

George F. Mitchell is a member of the U. S. board of tea experts which met Monday in New York. This board sets standards of tea for 1941 which will go into effect throughout the country on May 1.

Record Size Salmon

The largest salmon ever caught in southeastern Alaska weighed 120 pounds. The fish was 53½ inches long and 36½ inches around. It was caught in a net. The previous record salmon weighed 116 pounds.

VFW Sponsor Showing Of Film On U. S. Navy

Life in the U. S. Navy will be vividly portrayed by a free motion picture to be shown at Eagles hall, Friday, February 28, it was announced today.

Sponsoring "Navy Night" in Daly City will be Old Glory Post No. 2044, Veterans of Foreign Wars of the United States, who emphasize the fact that the film is strictly educational, and is not a recruiting picture.

The show begins at 8 p. m. and will last one hour and fifteen minutes. The general public is cordially invited to see this free United States government motion picture.

Six City Officials Attend League Meeting

Six city officials from Daly City attended the last meeting of the League of California Municipalities, Peninsula division, in Burlingame, Thursday evening.

Included in the group were Mayor John J. Fahey, Police Chief James G. Reardon, Water Superintendent A. J. Bodien, and Councilmen Paul G. Selmi, Henry Sundermann and Edmund Cavagnaro.

Discussed at the meeting were various phases of laws now awaiting enactment before the State legislature in Sacramento.

STUDEBAKER'S DEFENSE ORDER FOR AIRPLANE ENGINES IS A "PLUS" ORDER

Separate division is being created to expedite production of Studebaker's share of national defense program

WHEN the Government asked Studebaker to build airplane engines on a big scale, it was not the Studebaker plants or facilities that the Government wanted, but rather the Studebaker organization of engineers and production executives.

The Studebaker program for producing airplane engines will have no effect, in itself, on Studebaker production of automobiles. The equipment in Studebaker plants is not suitable for the manufacture of airplane engines and therefore separate equipment for that purpose is being provided.

Studebaker production of automobiles will be affected only if defense requirements for materials or labor necessitate a curtailment of production by all automobile plants.

Our country's national defense program creates new problems and new responsibilities for all of us. Studebaker intends to discharge its defense responsibilities in a manner which will add luster to its name.

What Goes On, And Where - - -

Ever slip on a banana peel? A dispatch from the Maritime commission in Washington, D. C., says that when the new 11,000 ton motorship, Cape Lookout, was christened at Beaumont, Texas, it was sent down the ways on banana peels. Close to seven thousand pounds of banana peels were used along with a good quantity of banana oil and whole bananas.

Now here's a fellow that hits the nail on the head . . . T. Claude Ryan, San Diego aircraft manufacturer says, **"The greatest need of the country today is for leadership to heal the breach between capital and labor with full consideration to the rights of all concerned."**

Redcaps have always been one of our favorite types. Now, alas, it looks as if they will bow to the ultra-modern Skycaps. These baggage-hustlers work in the new Union Station of the Air in New York city . . . a building, like the Skycaps, dedicated to a new era. Full of escalators and elevators the structure, appropriately of all-welded steel construction, takes efficiency as its key note. Paths of incoming and outgoing passengers never cross.

THIS, we maintain, is GOING TOO FAR. Personally, we like the good old fashioned train terminals where incoming and outgoing passengers not only cross each other's paths, but often collide . . . where baggage, people, smoke and noise are scrambled like eggs.

El Camino Real—what a name! all we need to do is read it on a signpost and soldiers of Spain appear on foot, padres stop to talk in quiet tones beneath palms.

Now this historic route is playing a new role in the life of old California. Modern Army trucks are lumbering along its route—bent on maneuvers at Camp Ord or elsewhere.

And that's 30 for this week.

Girl Scout Committee To Meet Friday

Members of Daly City's Girl Scout committee are reminded that the February meeting will be called to order at 7:30 p. m. this Friday at the local WPA Recreation offices, 101 Parkview avenue.

Mrs. Lyal Iingersoll will be hostess next Wednesday afternoon, February 12, at a benefit luncheon and whist party at her home, 439 Crocker avenue.

Funds will be used to help in the purchase of equipment for the Girl Scout camp next summer. The party is scheduled to start at 12:30 p. m., and everyone is cordially invited to attend.

Kite Flying

Kite flying season is here. It's an age-old sport for children with a real thrill in it.

But kite flying is safe only when the kite is properly made and when it is flown in an open field where there is no danger of its coming in contact with electric, telephone or trolley wires.

Because of the danger in flying kites near electric lines, the Pacific Gas and Electric company for several years has cooperated with city and school officials in educational kite flying campaigns. These rules are offered:

1. Never fly a kite near electric or trolley wires.

2. Never climb poles to untangle a kite.

3. Never let a kite go over radio aerials.

4. Never build or fly a kite with metal or wire in the frame or tail.

5. Never run across highways while flying kites.

6. Never use tinsel string, wire, or any kind of twine that is made with a metallic substance. Use plain cotton cord.

If these rules are observed, kite flying is a safe and delightful pastime. If they are ignored, kite flying is extremely dangerous.

Bicycle Baby Trailer

An engineering works employee at Ashtabula, Ohio, has devised a "baby trailer" to be attached to bicycles or tricycles. Mike Zalimeni, seeking a patent on his device, says the "knee-action" trailer will enable people to take the baby along on bicycle trips.

Home Equality

An extensive survey taken at Pasadena, Calif., relative to father's place in the home, revealed that the majority of mothers believe if father will just keep out of the kitchen he isn't a bad person to help out along other lines of housework. The final conclusion was that America is achieving equality in home making—meaning that father is doing an increasing share of the "housework."

Russian Wild Boars

Most of the Russian wild boar enumerated by game census-takers in America are in Graham county, North Carolina. They were imported by an Englishman who planned a magnificent game preserve.

ENOUGH TO SCARE ANY GROUNDHOG

Miss Rose Brosnan Receives Diamond Engagement Ring

Miss Rose Brosnan celebrated her twenty-first birthday last Tuesday evening by accepting a lovely diamond engagement ring from her fiance, George P. Cassin, prominent young office manager of Pacific Paper company in San Francisco.

The exciting event took place at a birthday party at which her mother, Mrs. Rose Brosnan Ferrando, was hostess. More than forty guests gathered at the Brosnan home, 778 San Diego avenue, for the pleasant social affair.

A graduate of Jefferson Union high school, Miss Brosnan has many friends here. She is employed at present as a stenographer in the New Montgomery street offices of the Pacific Telephone and Telegraph company.

Preceding the announcement and birthday party, a delicious turkey dinner was served at a family gathering. The dinner was followed by the presentation of a beautiful big birthday cake, trimmed with 21 candles.

Present at the party which followed was Miss Brosnan's grandmother, Mrs. Nora Kelleher, and other friends and relatives including Mrs. Rose Brosnan Ferrando; Edward Ferrando, Sonoma; George Cassin, June Williams, Steve J. Brosnan, Mr. and Mrs. M. J. Hanlon, Mr. and Mrs. Daniel J. Hanlon.

Frank J. Kelleher, Miss Lillian Henderson, Miss Iva Peralta, Mr. and Mrs. L. DeVincenzi, Miss Doris DeVincenzi, Frank Peltitier, Raymond Kennedy, John Spark, Emo Barghini, Peter Filios.

John Delfino, Dick Millet, Bob Savelly, "Robert Taylor," Pat Holcomb, Mr. and Mrs. Wilde, Master Richard Wilde, Walter Nuss, Dan O'Leary, Mary McConnell, Mary Longinatti.

Chuck Matulich, Paul Dusdall, Jack McAdler, Pauline Zamsey, "Boris Karloff," and Mr. and Mrs. Ledtermann.

Jack Smith Writes Letter About Service With U. S. Air Corps

How does it feel to be a member of Uncle Sam's Air Corps? "Swell," replies Jack Smith, Jefferson Union high school graduate, who has been enrolled for more than a year.

Smith wrote a letter to the Record this week, "to express my thanks for sending me the paper each week." His mother used to send him one occasionally, he says, and "it tells me more about what's happening than any letter my mother could write me."

Jack is getting the paper regularly each week now, as a courtesy extended by The Record to every local boy engaged in the national defense program.

"When I first joined the Air Corps," Smith continues, "I naturally hoped that I hadn't made a mistake. So far, I like it more than ever. The government is paying for a $2300 course in Airplane Mechanics here at Curtiss Wright Technical Institute. I'm only sorry I didn't go to junior college so I could have become a flying cadet. This course counts as a year of college, so I'm still going to try."

Smith points out that only a high school diploma is necessary for young men over 18 years who wish to join the Air Corps. After joining, they may become airplane mechanics, radio operators, armorers, clerks, photographers, etc. When their three years are completed, they are eligible for a civil service job at any air depot.

Jack formerly made his home at 474 Bellevue avenue in Daly City, with his folks, Mr. and Mrs. Frank Petiti. He graduated from Jefferson, January 20, 1939.

Bette Davis Stars In "The Letter," At Daly City Theatre Tomorrow

MENACED—Gale Sondergaard, as a sinister Eurasian woman, holds Bette Davis' fate in her hands in this scene from "The Letter" opening at the Daly City tomorrow.

That fascinating Bette Davis, is back on the screen, following up her recent dazzling success "All This, And Heaven Too," with "The Letter," W. Somerset Maugham's greatest drama of a woman's heart. "The Letter" will have its local premiere showing at the Daly City theatre tomorrow.

It is becoming axiomatic that each of Bette Davis' performances should top the one which preceded it. It happened with "Dark Victory," "The Old Maid," "All This and Heaven Too," and according to all advance reports, she rides to even greater glory in her newest vehicle, "The Letter."

"The Letter" tells a strange story. It tells of a beloved and sheltered woman who murders a man, murders him in cold blood, pumping his body full of bullets until her husband's gun is empty. Why did she do it? Well, she tells her husband and her lawyer that she did it to defend her honor. But it seems there was a letter . . . a letter in her handwriting addressed to the murdered man, and now in possession of his widow, an Eurasian woman. If that letter were to show up in court, there could be no other verdict than "guilty." But down in the Chinese quarters of Singapore, there is a mysterious transaction under cover of the night, and on the day of the trial, there is no sign of the letter.

These are the ingredients of the drama. Bette Davis is the central figure about which it revolves. Herbert Marshall is the husband, James Stephenson the lawyer who sacrifices his deep personal integrity to save the life of his friend's wife. Gale Sondergaard is the Eurasian woman. To tell more of the story would lessen its tremendous impact as it unfolds upon the screen in all its dramatic intensity.

Companion feature on the new bill will be "Hit Parade of 1941" with Kenny Baker and Frances Langford.

Woodrow P. T. A. Invite Public To Rummage Sale

Tomorrow and Friday, Woodrow Wilson PTA will hold a rummage sale at 115 Knowles avenue, beginning at 10 a. m. each day. Cooked foods will also be on sale on Thursday.

The public is cordially invited to support this affair. Proceeds will be used for the benefit of the life membership, a student loan fund. Mrs. Emma Sorg, life membership chairman, is in charge of the sale.

On Tuesday at 2 p. m., the unit will hold its regular meeting at Woodrow Wilson school. Preceding the general meeting, an executive board session will begin at 1 p. m.

Woodrow Wilson PTA will cooperate with Crocker and Jefferson Union High School PTA units in the Founders Day program, Tuesday evening, February 18, in the high school auditorium.

The usual whist party will be held the second Thursday evening of this month, 8:30 p. m., at 176 Los Banos.

Maximae Morris Entertains Classmates

Several classmates attending San Francisco State college gathered Thursday evening at the home of Maximae Morris, 186 Irvington street, to celebrate the completion of final examinations. A graduate of Jefferson Union high school, Miss Morris is now in her second year at San Francisco State.

Guests at the party included Bernice Cook, Norma Frits, Frances Young, Betty Hendy, Julia Steele, Ella Mae Newby, Betty Dunn, and Dorothy Throndenson.

Several of the girls, including Miss Morris, also attended a Sigma Tau Omega luncheon at a San Francisco tearoom this week.

New Use for Microscope

A new use has been found for the electron microscope, by Drs. Abner Wolf, David Cowen, and Beryl Page of Columbia university. This new super-sharp microscope is able to reveal the exact location, in the cells of glands, muscles, and other tissues, of vital minerals, such as calcium and phosphorus.

Netherlands Defensive Flooding

If the dykes in the Netherlands are open, defense flooding would damage the farm lands, and necessitate the evacuation of thousands of residents, but the water would not be sea water, it would be fresh water from the rivers, or the old Zuyder Zee, now called Ijssel lake. It would do no permanent harm.

Even Cupid Must Eat

By BETTY BARCLAY

Here are some recipes that will be appreciated by those who are celebrating St. Valentine's Day by having a family feast or a frolic with friends:

Valentine Punch

1-1 lb. 4 oz. can sour pie cherries
6 whole cloves
1 stick of cinnamon
½ cup light brown sugar
4 cups canned unsweetened Hawaiian pineapple juice
Red vegetable coloring

Pour cherries and their sirup in a saucepan. Add cloves and cinnamon and bring to a boil. Add sugar and simmer for five minutes. Strain mixture through a fine sieve and chill sieved mixture. Combine with pineapple juice, which has been chilled in cans before opening. Add a few drops of red coloring, or enough to make the mixture a bright cherry color. To serve, pour over ice cubes in glasses. Yield: Eight 6-ounce glasses.

Carotene Salad

Toss together lightly with 2 forks:
1½ cups orange pieces
1½ cups finely cut carrot
½ cup raisins

Add desired salad dressing to moisten. Serve on lettuce or shredded cabbage and garnish with ½ cup chopped peanuts. Serves 6.

Basta Fazoul
(a one dish meal)

2 cups cooked, dried Limas
2 cups tomato sauce or strained tomatoes
1 tablespoon chopped onion
½ pound spaghetti
6 tablespoons bacon fat
1 teaspoon salt
⅛ teaspoon pepper

Cook the spaghetti in boiling salted water until soft and drain. Cook the onion in the fat, add tomato, Limas and spaghetti.

Individual Strawberry Shortcakes

Individual strawberry shortcakes are attractive for dessert at a Valentine's day luncheon or for party refreshments. The quick-frozen strawberries come all ready to serve — cleaned, hulled, sliced and sweetened, as full of flavor and vitamins as the day they were picked and quick-frozen.

Spread 1 (16 oz.) box quick-frozen strawberries, just thawed, on the lower halves of 4 hot shortcake biscuits, split and buttered. Top with upper halves and additional berries. Garnish with ⅓ cup cream, whipped. Serves 4.

Valentine Rennet-Custard

1 pkg. vanilla rennet powder
1 pint milk, ordinary or homogenized
½ cup raspberry jam
⅓ cup whipping cream
½ teaspoon vanilla
1 teaspoon sugar
10 lady fingers
3 tablespoons graham cracker crumbs

Set out five dessert dishes. Divide the raspberry jam among them placing about 1½ tablespoons in the bottom of each dish. Cut the lady fingers lengthwise, placing four pieces around the sides of each dish. Make vanilla rennet-custard according to directions on the package. Pour into dessert dishes on top of the jam. Do not move until firm—about 10 minutes. Chill in refrigerator. Just before serving, top with whipped cream, to which sugar and vanilla have been added. Sprinkle with graham cracker crumbs, or place a soft pink candy heart on top of whipped cream.

A children's variation is to cut marshmallows into very fine pieces and arrange in the outline of a heart on top of each rennet-custard just before serving.

Cupid's Brew

6 cups freshly brewed decaffeinated coffee
½ cup whipping cream, whipped
⅛ teaspoon cinnamon
⅛ teaspoon nutmeg

Top hot decaffeinated coffee with a spoonful of whipped cream into which the spices have been folded. Sugar may be served with the coffee if desired.

Serve decaffeinated coffee at your Valentine's Day party and your guests won't be worried over sleeping problems later on.

Magic Valentine Candies

⅔ cup (7½ oz. can) sweetened condensed milk
1 teaspoon vanilla
4 cups sifted confectioners' (4X) sugar (about)

Mix sweetened condensed milk and vanilla. Add confectioners' (4X) sugar gradually, mixing until smooth and creamy. Makes 1¼ pounds. Roll out on a slightly sugared board about ¼ inch thick. Cut with a small heart-shaped cookie cutter. Decorate with mottoes, such as "To My Love," put on with a water color paint brush dipped in melted chocolate.

You'll be sure of a gay St. Valentine's party if you start your guests off with one of the new parlor games that are easy to learn. Circlegammon, an exciting new development of backgammon or Dog Fight, the new airplane manoeuvering game played on a vertical board are sure to be party successes.

Catholic Ladies Aid Sponsor Benefit Whist

Catholic Ladies Aid Society, Branch 59, will sponsor a benefit whist party this afternoon, February 5, at St. Michael's hall, 32 Broad street.

Mrs. T. Curtin, chairman, cordially invites everyone to attend this party. Playing begins at 2 p. m. There will be a cash first prize and numerous other awards.

El Carmelo Officers Sponsor NDGW Whist

Many valuable prizes will be awarded at a whist party this evening at Masonic hall. The event is sponsored by newly-installed officers of El Carmelo Parlor No. 181, Native Daughters of the Golden West.

Playing will begin at 8:30 p. m., February 5, with Mrs. Christine Hulme as chairman. The public is cordially invited to attend.

Strange Street Names

Lisbon in Portugal has some strange street names, including the Street of the Little Englishman, Street of the Mother of War, the Sad Ugly One Street, and the Alley of the Faithful of God.

Sew And Sew Club To Meet Friday

Announcement of the change of the meeting of the Sew and Sew club of Crocker PTA, originally scheduled for tomorrow, to Friday was made today by the president, Mrs. Hazel Cassasa. This meeting will be at the home of Mrs. Orvilla D. Pauw, 859 Hanover street at 10:30 a. m. An executive board meeting will follow the luncheon.

Crocker PTA was hostess to the graduating class of the school and its teacher, Miss Aileen Suber, at a luncheon at the school recently. Mrs. Mildred Seiler and Mrs. Hazel Cassasa were in charge.

Franklin Petiti, Crocker pupil who won the award for scholarship, was presented with his ring, by Mrs. Cassasa, president. The American Legion medals were presented to Irene Getchell and George Cordellos from Crocker school.

The Founders Day meeting will be held in conjunction with Jefferson Union high school and Woodrow Wilson units at the high school at 7:30 p. m., Tuesday, February 18. "Growth of Character Through Adherence To Our Ideals" will be the theme of the meeting, and a Founders day program will be presented.

Tees for Three

At Yonkers, N. Y., a water tower marks the spot where the first golf tee in this country was located. Early niblick fans, however, found the pasture was too hilly for golf and abandoned what might have been America's first golf course after only three holes had been laid out.

GULF CASSEROLE
ARTICHOKE SALAD WITH MAYONNAISE
PEAS IN CREAM
FRENCH BREAD
PACKAGED CHOCOLATE PUDDING WITH WHIPPED CREAM
COFFEE, TEA OR MILK

Recipe
GULF CASSEROLE

1 can shrimps, 5¾ ounces
1 No. 2 can hominy
4 tablespoons butter
1 cup soft bread crumbs, lightly packed
1½ tablespoons flour
1½ cups tomato juice
1 teaspoon grated onion

Wash shrimps; remove dark vein. Drain hominy. Spread 1⅔ cups of the hominy in well buttered 2-quart casserole; cover with layer of shrimps; top with remaining hominy. Melt 2 tablespoons of the butter in saucepan; blend in flour; add tomato juice gradually, stirring constantly; cook until thickened, about 8 minutes, stirring constantly. Remove from heat; add onion; pour over hominy and shrimps. Top with bread crumbs combined with remaining butter. Bake in moderate oven (375° F.) about 20 minutes, or until brown. Serves 6.

Defense Plans—

San Mateo county may be the choice for two important defense factors, one a combined carbide and ferro alloy plant and the other a $5,000,000 Navy lighter-than-air craft base.

Four representatives of a large New York company are in the vicinity of San Francisco making inspections of possible sites for the plant. It is reported that a site in South San Francisco is under consideration.

Meantime naval officers are making a survey of some 26 cities within fifty miles of San Francisco where a 640-acre base for coastal patrol blimps will be stationed.

THIS WEEK --- At Jefferson Union High School

Classes

ASSEMBLIES

The assembly schedule for this semester is just jammed full of interesting items and people. When talking with John Razzari, student body president, and Leonel Gray, faculty advisor, they named just a few of the many interesting people that have been scheduled.

Delbert Harter was presented in Monday's assembly, and in the future there will be Dr. Hazeltine from San Jose State; Browers Varieties; a musical show given by Oscar Busch; pictures, and many other amusing and educational programs.

TOTEM POLE

The Totem Pole staff said goodbye to several of their old members as they left to begin life in Junior colleges and other institutions of learning. Norma Barker, Ray Fellman, Ralph Matteucci, and Stanley Downall were all graduated several weeks ago.

After the gaping hole that graduation left in the Totem Pole's staff, new members were appointed to fill their places.

Mary Heywood added another link in her golden chain of victories when she was appointed editor-in-chief of the Totem Pole. Other members of the staff include: associate editor, John Domecus; exchange editor, Betty Coen; circulation, Ann Plate; sport editor, John Razzari; girls sports editor, Eugenia Filios and feature editor, Lorraine Anderson.

The first edition of the Totem Pole is already on the press, and will be in the lockers tomorrow afternoon as usual.

U. S. HISTORY CLASS

Friday scores of pupils from the U. S. History classes handed in their Lincoln essays. Several members of the faculty will act as judges and select the best compositions.

A week from today the best essays will be read in assembly, after which the winner will be announced. First in the contest will have his or her name engraved on the plaque presented to the school by Arthur Bodien.

Entertainment Committee

Boys! Hurry up and ask your "one and only" to the first dance of the semester. A good time is promised to all who attend by the members of the entertainment committee.

When discussing the dance with Leonel Gray, faculty advisor, he explained a new arrangement the entertainment committee has made in regard to the dances.

"A new method of financing the school dances has been adopted," said Gray. "From now on there will be a slight assessment for every student that wishes to attend each dance. This will give the students the right to bring one guest providing that guest is registered with the entertainment committee before the day of the dance," concluded Gray.

Campus Fashions

Attention girls . . . here are a few highlights from a recent style show held at Del Monte.

Beige and **Indian** shades will be the most important colors of the season. The South American influence is back again with boleros and panama hats.

Ensembles are chic, with more interesting dresses than ever before. When you pick out your ensembles be sure to include a dress that can "stand alone" for good looks and interesting detail.

Military motif is practically the biggest thing of the new year. Along with the war influence comes the emphasis on femininity. Evening gowns run to "seductive" or "streamline" types. Streamline gowns take their motif from the new styles in architecture, and machinery, while seductive gowns are out and out "man-catchers."

Contrasting colors are playing a big part this year. Even red and green are now often combined.

Chiffon is back and so are all-around pleats, which give that softer look to the new tube skirts.

Longer jackets are in—from sport suits right on through to the snappiest "dress-up" outfit.

Knit dresses, suits and coats are finding their place as one of the most essential parts of your wardrobe.

Slacks are smarter than ever before. Be sure to include a pair of smartly tailored navy blue slacks in your summer wardrobe.

Capes are "in" again. The new versions are really striking, too. If you've always longed to own a cape, now's your chance!

What's the new length for dresses? **Shorter,** still! "Just below the knees" is where 1941's dresses and skirts halt.

Since the month of August Miss Fashion has been keeping an eagle eye out for Campus Cuties. This week's bundle of loveliness is a blonde with big blue eyes. Attired in a red wool jumper over a long sleeved white shirt, she was indeed a picture of how the smart campus Miss should look.

This week's fashion bouquet goes to none other than Miss Marie Haller.

Auctioneer Is Boss

American courts have held that an auctioneer is not compelled to accept the highest bid, according to Collier's. In a Minnesota case, a house was sold to the first bidder for $675 after the second and only other bidder had offered $680. The auctioneer refused to consider such a trifling increase. So the second bidder sued but lost his case on the ground that no contract exists until the offer to purchase is accepted by the auctioneer.

Shanghai Child Refugees

Smiling for the first time in months, 400 child refugees in Shanghai were transferred to Chekiang province where they are beginning life anew.

Music

COWBOY BAND

Lembi's Cowboy band has been making quite a name for itself. The boys appeared last Monday evening, complete with shootin-irons and ten-gallon hats to entertain the Draftees at a going away party.

In March the band has been asked to play for the Elks club. The occasion will be the Elks' Irish "Dinty Moore" dinner.

CHORUS

Jefferson is sure to "have music" as over 140 students enrolled in the three chorus classes. Oscar Busch, musical instructor, was quite pleased with the turnout the chorus made.

"We have an enrollment of 60 members in the sixth period class alone," said Busch.

BAND

In the latter part of February, the Jefferson band will present an assembly program. On the program will be featured solos by Gene Snow, trumpet; Ed Hendrickson, tuba, and Adrienne Travers, saxophone. Tom Beeson, Gene Snow and Bob Seiler will be featured in a trumpet trio.

Egg Experiment

The University of California experimented for a year to ascertain if egg production could be increased by keeping the hens in cooled henhouses. The answer was, "No." Only one thing was ascertained, the university reported, and this was that in the hot days, the hens were noticeably more comfortable in the cooled henhouses.

Grammar School News

At Woodrow Wilson Elementary

ROOM 12

Hazel King visited the lighthouse at Point Reyes, last Sunday. The keeper showed her through the lighthouse explaining how the different lights worked.

STUDENT OFFICERS

Last Monday the Woodrow Wilson elementary eighth grade voted upon their new officers. The results were as follows: president, Rita Lozano; vice-president, Jack Palm; secretary-treasurer, Emile Lemoine, and class representative, Bert Berg. These officers, according to the constitution, become the officers of the student body.

High Fifth and Low Sixth

For their science corner, the pupils of the high fifth and low sixth have collected several examples of rocks and shells. One of their prize possessions is a full grown cotton boll.

At Jefferson School

Seventh and Eighth Grades

Through the courtesy of P. G. & E., another colored sound film, "The Golden Sierra," was presented to the seventh and eighth grades, last week. This picture contained a vast storehouse of knowledge for the social studies classes.

The students saw how some of the early gold mining towns have once more become prosperous with the aid of electricity and water power. An interesting mining scene was that of Auburn, California. Here the children were shown an example of modern scientific mining.

Crocker School

STUDENT BODY ELECTION

With the new term just a little over a week old, the students of Crocker school held their first student body assembly, last Tuesday. The main order of business, at the meeting, was the election of officers.

Donald Welsh was elected by a popular vote to become the new student body president. His corps of officers are: Lois Rich, vice-president; Doris Vernengo, secretary, and Barbara Gregor, treasurer.

Wild Bill's Grave

Wild Bill Hickok's grave and that of the equally famous Calamity Jane, in the old "Boot Hill cemetery" above Deadwood Gulch, Deadwood, S. D., are visited annually by thousands of tourists.

Old Hatteras Lighthouse

Old Hatteras lighthouse, off the Atlantic coast of the United States, was built one mile from high water in 1870, but now the tides come within a few yards of the base.

THIRD GRADE

In connection with the celebration of Lincoln's birthday, students of third grade have been busy working on their project for several weeks.

The boys have built a little log cabin, just like the one Abe Lincoln lived in when he was a boy. Audrey Well dressed up a little doll in racoon hat and linsey woolsey shirt and breeches to represent Abe when a child. Other members of the class participated in fixing the ground with cotton to look like snow.

Lincoln's two favorite books, "The Bible" and "The Life of Washington," were made out of cardboard by Maxine Schriver and Thomas Schriver.

FOURTH GRADE

A "Baseball Game in Arithmetic" is anxiously being awaited by the students of the fourth grade. The players will be chosen among the girls and boys.

FIFTH GRADE

Last week the students of the fifth grade completed the plays they were writing for Lincoln's birthday. The plays were read and the best ones chosen to be presented to the class next week.

The following students will present their plays: Jeaninne Winant, Jacqueline Cuneo, Dona Healy, and Marianne Miller.

SIXTH GRADE

The boys and girls of the sixth grade are having a race among themselves to see who can save the most pennies for Pagan babies. So far it appears that the boys are in the lead, much to the surprise of the other children.

Seventh And Eighth Grade

Last Wednesday the boys from the seventh and eighth grades competed with the Fairmont school in a fast basketball game. Losing by only one point the boys put up a good battle. At the end of the playing time the score stood 17-16.

Edward Denning was high scoreman of the day, with four baskets chalked up to him. Coming in for close seconds were Joseph Powers with 2 and George Hopkins and Alfred Bermudez with 1 apiece.

The lineup included: C., Joseph Powers; F., Edward Denning.; F., Roderick Linhares; G., William Lassano; G., George Hopkins.

Assemblies Of God Church Has New Pastor

Assemblies of God church, 6500 Mission street, announce this week that a new pastor, William Hayes, has recently taken over his duties as leader here. Mr. and Mrs. Hayes will make their home in Daly City.

Both the new pastor and his wife are graduates of the Glad Tidings temple, 1441 Ellis street in San Francisco. Hayes formerly held a pastorate in Patterson, California, for two years.

Sunday services remain scheduled for the same hours as before. Regular services will be conducted on Tuesday evenings. On Friday evenings, a children's service will convene at 7 p. m., followed by regular services.

Girl Scouts To Visit Hospital "Shut-Ins"

"Happy Valentine's Day!" will be the greeting carried to twenty little boys and girls lying sick in Community hospital this month.

Girl Scout Troop No. 2 will visit the children's ward of the hospital on Saturday, February 15. They will take with them stacks of gayly-colored Valentines.

Approximately four carloads of Girl Scouts are expected to make the trip, according to Mrs. Lyla Eldrup, leader.

House Fly Massacre

Pupils of the ninth grade at Tiffin, Ohio, told that every housefly killed now means millions less later in the season, killed 8,226 of the insects in one week. They computed that their victims would have been ancestors of 49,336,000,000,000,000 buzzing, disease-breeding descendants by next fall.

DALY CITY JUVENILE DRILL TEAM

—Photo by Staff Photographer Dale Hovey

Daly City's Juvenile Drill team won a cup at their first public appearance, and they've been winning them ever since. Starting with a first-place award at the World's Fair in 1939, the local youngsters now have nearly a dozen gleaming silver and gold trophies to their credit.

Ranging in age from 3 to 17 years, the team members are directed by Miss Rose, local dance instructor, at her studio at 876 Brunswick avenue. Ranks are open at present for new members; any interested boy or girl between the ages of 8 and 16 years is eligible.

Shown at the left in the above picture is Miss Rose, captain; on the extreme right is Ernest Domecus with his big bass drum. Kneeling in the front is Dorothy Langensand, majorette, and standing is three-year-old Carol Benedetti, mascot.

Included in the second row, reading from left to right, are Lorraine Remmer, Carley Carle, Joseph Langensand, Shirley Lutzker, Mary Lou Montano, Bobby Montano.

Third row, left to right: Eleanor Benedetti, Frances Hopkins, Alba Canale, Ernestine Ferreira, June Brandt, Anna Marie Domecus.

Last row, left to right: Shirley Remmer, Dorothy Kanter, June Blecher, Johanna Schwartz, Doris Hahn.

DALY CITY JUVENILE DRUM CORPS

—Photo by Staff Photographer Dale Hovey

You're never too young to learn! These kiddies can show the old folks a thing or two with their new Daly City Juvenile Drum Corps.

Organized late last year at the Miss Rose Dance Studio, 876 Brunswick street, the drum corps will aid the Daly City Juvenile Drill team in its rise to fame, adding its own contributions to city, county and state honors. Drum instructor is Jack Pfisterer.

In the first row, above, reading from left to right are Miss Rose, captain; Mary Lou Montano, Carol Benedetti, Lorraine Remmer, Dorothy Langensand.

Second row, left to right: Bobbie Montano, Carley Carle, June Brandt, Joseph Langensand, Ernestine Ferreira, Shirley Lutzker, Anna Marie Domecus, Ernest Domecus.

Last row, left to right: Henry Montano, Billy Nassano, Jack Hunt, Doris Hahn, Dorothy Kanter, Frances Hopkins, June Blecher, Alba Canale, Johanna Schwartz, Earl Lutzker, Shirley Remmer, Eleanor Benedetti.

BETHEL 26 TO PLAN COMBINATION WHIST-DANCE

Discussion of a combination whist and dance to be held on Friday evening, February 28, will be the main topic of discussion at a meeting of Bethel No. 26, Order of Job's Daughters, next Friday evening, February 14.

The meeting will be held at the George Washington Masonic temple at San Jose and San Juan avenues, San Francisco, with Honored Queen Kay Hosking presiding. Pictures of the group will be taken before the meeting.

The girls who belong to the bethel today invited every person with Masonic affiliations to attend their meeting. They sincerely welcome new girls who wish to join the group, and invite them to visit the bethel.

Hull Fishermen

Between 50 and 60 thousand persons depend on fishing for their livelihood in Hull, England's greatest fishing port.

Weed Growth

Proof of the tremendous strength of growing weeds was shown at Winnipeg, Manitoba, when a piece of lumber an inch thick, through which had grown a dandelion root, was found in a lumber yard.

Canadians Like Eggs

The Canadian bureau of statistics estimated that Canadians lead all people of the world in the consumption of eggs. The per capita consumption is approximately 400 eggs a year.

Troop 4 Selects 'Friendship' Theme

As February is International Friendship month in Girl Scouting, Girl Scout Troop 4 has chosen "friendship between nations" as the theme for their program and Court of Awards to be given Tuesday, 7:30 p. m. at Legion hall.

Besides the awarding of badges, the program will consist of a Chinese skit by two of the girls, a ceremony entitled "A World at War," and various songs, music and dances of other nations presented by the girls. There will be an exhibit of articles, pictures and stamps from foreign countries.

On display will be a large map of the United States, a gift to Troop 4 from the Council Against Intolerance in America. The colorful map shows how America is a nation of one people from many countries, and has charts showing how America has been enriched by the talents of writers, scientists, industrialists and artists from other lands who have given of their gifts and knowledge to help build this country.

After the program, foreign foods will be served by the girls who will be in costume. There will be no charge for admittance. The public is cordially invited to attend.

Silk From Corn Meal

Zein, a protein-like substance from which artificial silk is now being spun, is made from corn meal. Zein filaments can be twisted into yarns from which many kinds of textile fabrics can be woven. The artificial silk made from corn can be dyed to any color desired.
